

STUDY OF BLOOD MARKERS WHILE FASTING

This study is seeking healthy men and women at least 18 years of age who are able to refrain from eating for 30 hours.

PARTICIPANTS WILL BE COMPENSATED \$125 CASH FOR FULL PARTICIPATION. STUDY PARTICIPATION ALSO INCLUDES A FREE DXA SCAN AND MEALS.

Participants must consistently complete at least one run of at least one hour during their weekly mileage. They must be free from injury including cuts or blisters during the 4 weeks previous to participation.
