

Application Instructions

To apply for an undergraduate research assistantship:

1. Familiarize yourself with the research interests of faculty.
2. Based on research interests that match your own, choose a faculty member with whom you could discuss research opportunities.
3. Meet with the faculty member during his/her office hours.
 - › Bring your resume to the meeting.
 - › Be prepared to discuss the research
 - › Why it is of interest to you, and
 - › What you would like to accomplish by being a research assistant for the professor.
