The deadline to apply is **1 February** (for admittance the following **Fall** semester). You must complete the courses required for admission to be considered for the MAT.

1. The supplementary application documents **Technical Standards and Physical Exam & Clearance** must be included for your application to be complete. These documents must be completed before you begin the program in the Fall: (**Background Check, Drug Screen, and Immunization Record and CPR/AED card**).
2. Attest to your ability to meet the BYU MAT technical standards by signing the appropriate statement (you may sign electronically with your name and BYU ID #) or contact the University Accessibility Center (801-422-2767) to determine if accommodation is available.
4. A physical exam, within six months prior to the application deadline, is required for admittance to the program. The physical exam clearance form must be submitted. The Student Health Center or the physician may copy the original exam form.
5. Provide a copy of a complete and current immunization record, proof that you passed a background check, and proof that you passed a SAM 5 urine drug screening.
6. Provide a copy of your CPR/AED card (professional rescuer required) if you have one (both sides) or you will need to become CPR/AED certified before your first semester in the MAT.

## Resources for Background Checks, Drug Screens, and Immunizations

**GENERAL INFORMATION**—It is the student's obligation to arrange and pay for any Background Check, Drug Screen, Immunization or Fingerprinting requirements. It is the student's obligation to comply with such requirements when requested by the internship/experience provider; otherwise, the internship/clinical experience provider has the right to not accept a student as an intern.

**PROCEDURE**—The background check, drug screen, or fingerprinting will be initiated by the student if required as part of the process for being admitted or for obtaining a desired internship or clinical experience. Please allow six to eight weeks to complete the process. Failure to submit materials may result in not being able to participate in the chosen internship. **All expenses associated with background checks, fingerprinting, drug screening and immunizations are the sole responsibility of the requesting student.** The following information is provided solely to assist you in these efforts.

**LOCATIONS**—These lists are provided to help students choose and fulfill the internship/clinical experience provider's requirements if no other options are available. It is not intended to replace personal physicians, university clinics, or any other credible services. Always be sure to double check times and locations by calling the organizations below.
